OUR CLIENTS SAY:

"Thank you Coastal Productions for your outstanding effort at our Connect '07 conference at Hyatt Regency Sanctuary Cove in February 2007. One of the key messages of Connect '07 was "Service Excellence" and this was very clearly demonstrated by Fiona Parr during the planning process to ensure the event was flawlessly executed and the smallest details were taken care of. Our dinner function was a huge success and we appreciated that Coastal Productions could tailor a theme to suit our requirements. I look forward to working with your team again in the future."

Stacey Donald, Executive Assistant, Chief Executive Australia, Colliers International

"AST Management has been working with Coastal Productions for the past five years on a number of events. We continue to use them because they are efficient, fairly priced and very professional."

Peter Sugg, Managing Director, AST Management Pty Ltd

"I would also like to personally thank you and your team for your assistance yesterday being such a last minute request. You were the first company I contacted knowing that you would do all you can to help. I also knew that your product would be of a high standard having used Coastal Productions in the past. Your prompt turnaround in providing a quote that I could present to the client and the team arriving on site within only a few hours was second to none."

Coastal Attends GIBTM in Abu Dhabi

GIBTM is the United Arab Emirates exhibition where suppliers and buyers in the meetings and incentive industry gather to exchange ideas and showcase their products. The event was held at the recently completed Abu Dhabi National Exhibition Centre which is a state of the art structure built in only 8 months! Ian Phillips, one of the Coastal Productions Directors, was an invited guest and took the opportunity to inspect potential venues for events in the region including facilities for the Festival of Cricket. The highlight of the few days was a visit to nearby Muscat in Oman which Ian describes as breathtaking and a fantastic destination for incentive and event business.
